1. Product description:

Diamond Dresser

Dimensions (in):	7/16" x 1-1/2"
Dimensions (mm):	11 x 38
Specification:	MULTIPUNTA 7D STD
Carats:	1.65

1. Application

- For dressing abrasive wheels in cylindrical, centerless, and surface grinding operations.
- Ideal for heavy-duty operations on wide wheels and for dressing nut-mounted wheels.
- Allows higher dressing speeds.
- Keeps the wheel open and free-cutting for longer periods.
- Manufactured with 7 selected diamonds.

2. Operating instructions

- Use on cylindrical, centerless, or surface grinders.
- Mount the dresser properly on a tool holder.
- Perform the dressing operation as usual.

3. Safety information

- Always use safety guards.
- Never exceed the maximum operating speed indicated on the product.
- Always wear complete personal protective equipment (gloves, hearing protection, mask, and safety glasses).
- Improper use may cause serious injury.

4. Handling

- The initial inspection must be carried out in the original packaging. If there is visible evidence of damage, the merchandise should not be accepted.
- Handle the dresser carefully to prevent impact or drops. If the dresser shows any fracture, chipping, or visible damage, it must not be used.

5. Storage

- The dresser must be stored in clean, dry conditions, preferably in its original packaging, and kept away from hot, cold, or wet surfaces for prolonged periods.

6. Packaging units

- 1 piece.
